Students are encouraged to develop a sense of social responsibility and become active participants in our global community, thereby making a positive difference in society.

The mission of Elyon College is two fold: to prepare individuals for service as Jewish community workers and leaders, as well as to prepare individuals for careers in the field of business.   1. The non-refundable registration fee, plus
  2. The cost of any textbooks or supplies accepted, plus

Refunds will be paid within forty five (45) calendar days from the documented date the student gives written or verbal notice of withdrawal to the institution or the date the institution terminates the student,

**The following tuition refund policy is approved by The Accrediting Council for Continuing Education & Training (ACCET):**

If an applicant never attends class (no-show) or cancels the contract prior to the class start date, all refunds due will be made within forty-five (45) calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier. For an enrolled student, the refund due will be calculated using the last date of attendance (LDA) and be paid within forty-five (45) calendar days from the documented date of determination (DOD). The date of determination is the date the student gives written or verbal notice of withdrawal to the institution or the date the institution terminates the student, by applying the institution's attendance, conduct, or Satisfactory Academic Progress policy. Cancellations:

1. Rejection of Applicant: If an applicant is rejected for enrollment by an institution, or if a prospective international student has his/her visa application rejected, a full refund of all tuition monies paid will be made to the applicant.
2. Program Cancellation: If an institution cancels a program subsequent to a student's enrollment, the institution will refund all monies paid by the student.
3. Cancellation Prior to the Start of Class or No Show: If an applicant accepted by the institution cancels prior to the start of scheduled classes or never attends class (no-show), the institution will refund all monies paid, less a maximum application/registration fee of \$200, if such charges are clearly noted in the

enrollment agreement as being non-refundable. An institution may retain any actual housing costs incurred by the institutions and a maximum total of \$500 for any non-refundable charges clearly identified in the enrollment agreement, including any application/registration fee, courier fees, and travel cancellation insurance, when a student is recruited from outside the United States or its territories and possesses a student visa to enter the country for study.

4. Cancellation After the Start of Class: An institution may consider a withdrawal as a cancellation or no show (for example, within the first week of the program) provided this process is fully delineated in writing as part of the refund policy and provided to all students at or before enrollment. A student who is considered a cancellation or no-show under such a policy must have all charges refunded and all payments returned to the individual or the applicable funding source less the maximum allowable application/registration fee of \$200, if such charges are clearly noted in the enrollment agreement as being non-refundable. In no event may a student be treated differently based on the source of funding or the timing of disbursements or payments. Cancellations processed in accordance with the above section are not treated as a start by ACCET and, therefore, do not negatively impact the institution's completion rate.

5. Withdrawal or Termination after the Start of Class and after the Cancellation Period:

- a. The institution may retain an administrative fee associated with withdrawal or termination not to exceed \$100.
- b. During the first week of classes, tuition charges withheld will not exceed 10 percent (10%) of the stated tuition up to a maximum of \$1,000. When determining the number of weeks completed by the student, the institution will consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.
- c. After the first week and through fifty percent (50%) of the period of financial obligation, tuition charges retained will not exceed a pro rata portion of tuition for the training period completed, plus ten percent (10%) of the unearned tuition for the period of training that was not completed.
- d. After fifty percent (50%) of the period of financial obligation is complete, the institution may retain the full tuition.

A comparison of the two policies will be made to determine which policy is more beneficial to the student and the student's account will be adjusted according to the refund that is most advantageous.

## **Treatment Of Title IV Funds When A Student Withdraws**

The 1998 Reauthorization of the Higher Education Act requires colleges to calculate how much Title IV Funds a student earns based on a percentage of their attendance prior to their withdrawal. The amount of Title IV funds earned is calculated by dividing the number of hours the student attended by the number of hours in the payment period. This is the percentage of federal dollars earned by the student. Up through the 60% point in each payment period a pro rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. If this percentage is greater than 60%, the student earns 100% of their Title IV funds for that payment period. The unearned portion of federal aid funds received must be returned to the appropriate aid program in accordance with the order of return of funds as mandated by law. This calculation may result in the student owing the College money based on the College refund policy as previously stated.

A student is expected to meet all financial obligations to Elyon College as scheduled. A student having difficulty meeting his/her financial responsibilities should contact the Financial Aid Office to discuss the problem and explore possible solutions. The Institute may refuse admittance to class and withhold transcripts and/or degrees if all financial obligations are not met.

## **Financial Aid (If And When Approved)**

Elyon College upon participating in state and federal financial aid programs will require all students applying for financial assistance to complete the Free Application for Federal Student Aid (FAFSA). The document establishes eligibility for aid from federal and state governments. To be eligible for financial aid, students must be citizens of the United States or eligible non-citizens, enrolled in a New York State registered programs leading to a degree or certificate, not be in default or owe a refund on financial aid previously received and meet satisfactory academic progress standards. A student must reapply each academic year to determine continued eligibility. Students are urged to acquire additional relevant financial aid information bulletins and material from the Financial Aid office.

### **FINANCIAL AID PROGRAMS**

Elyon College will assist students and their families to meet the cost of education by making sure that comprehensive financial aid information is made available. Students will be apprised of all available federal, state and other aid sources. They will be required to submit the relevant financial aid forms on or before enrollment. The Administration will track the Financial Aid packaging of every eligible student and, where necessary, assist students to address aid problems that may be encountered.

College procedures will assure that the College maintains all necessary Financial Aid records required by federal and state statutes and regulation that govern grant and loan programs. The Financial Aid Office will be responsible for all relevant student Financial Aid records.

### **THE TUITION ASSISTANCE PROGRAM (TAP)**

Tuition Assistance Program (TAP) awards are available to New York State students who are enrolled full-time at the College. Award amounts are based on NYS taxable income and are received by filing an application for each award year (July 1 through June 30) of attendance at the College. The maximum amount a student may receive is \$5,000 per year. Amounts received are applied against tuition charges only and need not be repaid. To receive TAP in subsequent semesters, a student must maintain satisfactory academic progress and meet all HESC eligibility requirements.

### **THE FEDERAL PELL GRANT PROGRAM**

The Pell Grant awards are Federal Aid awards available to students who are enrolled at least half time at the College. The Pell Grant provides up to \$4,310 for each undergraduate year. Amounts received are grants for educational expenses and need not be repaid. Pell Grants are not available to students who have received a bachelor's degree. Application for the Pell Grant must be made each award year (July 1 through June 30) that the student is in attendance. Award amounts are based on federal income tax return information, non-taxable income, and parent and student financial resources.

Sources of financial aid that may be available to Elyon College students is available in the College catalog.

### **FINANCIAL AID VERIFICATION POLICY AND PROCEDURES**

Verification is the process of confirming, by the College, the accuracy of certain data provided by the student in the FAFSA. The United States Department of Education generally selects students for verification, but the College may also choose to verify certain application data.

It is the policy of Elyon College to provide each student, either in person or by mail, with a clear understanding of the forms and other documentation needed to verify her/his application. The documentation may include but is not limited to Federal income tax forms and Verification Worksheet. If a student is not clear of what is needed he/she should seek further explanation from the Financial Aid Office.

Because financial aid may not be available to a student who does not complete the verification process in a timely manner, each student is encouraged to submit the requested documents as soon as possible. A student who fails to complete the verification process by the appropriate deadline may be ineligible for financial aid.

The institution is required by federal regulations to make referrals to the United States Department of Education if it suspects that aid is requested under false pretenses. Moreover, if during verification an overpayment situation does occur, Elyon College will make every effort to collect the overpayment from the student. If, however, it is not collected, the College may refer the case to the United States Department of Education.

## **APPLYING FOR FINANCIAL AID**

The process for applying for financial aid is extensive. The College may assist the student and her/his family as needed. The student must complete the FAFSA. That form is available from the College's Admissions and Financial Aid Offices, high college counselors and most public libraries. The FAFSA is used to determine eligibility for financial aid. At the student or parents' discretion, a separate loan application may be necessary in order to borrow funds.

## **DETERMINATION OF AWARDS**

Aid dollars are awarded on the basis of formulas established by the Congress and in the case of New York's Tuition Assistance Program (TAP) by the state Legislature. The formulas take into consideration such factors as family income, family assets, family size, number of household members, and student earnings. Elyon College is not in any way involved in establishing the student aid formulas.

## **Attendance Policy**

Elyon College believes that student attendance in class is critical for the successful completion of its programs. Students who are absent for unspecified reasons will be contacted to ascertain the reason for their absence. Students who exhibit irregular attendance may cause their grades to decline and their continued enrollment at the College may be in jeopardy. It is the student's responsibility to make up any missed course work. Student attendance is taken into consideration in assigning grades, and students are informed of this in the course syllabus.

Students must maintain an overall 80 percent attendance rate in order to graduate. Absences for more than 10 percent of scheduled classes may result in failure, grade reduction, other academic sanctions, or disciplinary measures. The student is responsible for supplying verification for the following excusable absences: personal illness or disabling injury, death in the family, family crisis or late start registration.

Students who are absent for 1 or more weeks will be advised and notified that she/he has reached a dangerous level of absences. These students are required to discuss with his/her instructor how the missing classes and work can be made up. All missing work must be made up in order to bring the attendance to the satisfactory level. Students who are absent for 2 or more consecutive weeks or 10 percent of scheduled classes without notifying the school of the causes of the absence will be automatically withdrawn from Elyon College.

Coming habitually late to class or leaving early can be disruptive to all. Students are considered late if they come 10 or more minutes after class has begun, and they are considered as leaving early if they leave 10 or more minutes before class is over. Three or more tardiness or early leaves is equal to one absence. Excused absences still count as an absence when calculating the 80 percent attendance requirement. Our goal is to prepare students for the business world, a community where punctuality is a key to success. Three or more tardies or early leaves is equal to one absence.

Professional behavior and attitudes is an essential aspect of the program, and regular class attendance and accountability are reflections of professional behavior.

## **STUDENT ABSENCES**

1. Students are not entitled to any “free cuts” or absences
2. Students are expected to attend every meeting of the classes for which they are registered and must satisfy the instructor that the reason for being absent is valid. The student is responsible for supplying verification for the following excusable absences: personal illness or disabling injury, death in the family, family crisis or late start registration.
3. Excessive absences may result in a reduction of grade or a final grade of non-attendance (F)

## **Student Services**

### **Orientation**

All new students attend an orientation session before formal classes begin. Traditionally, this is held a few days before College opens. It is designed to acquaint students with the policies of the College, as well as encourage a pleasant atmosphere where students, faculty, and staff meet for the first time.

### **Advisement**

Since at this time we are a relatively small college, most of the advisement is carried out by the Associate Dean for Academic and Student Affairs and the Admissions and Judaic Studies Program Coordinator. Academic help is provided through peer tutoring, outside tutors will be recommended when necessary, and remediation help is available by instructors.

A referral list of available student support provided by various community social and health service agencies is available at the schools administrative office.

The Associate Dean for Academic and Student Affairs guides Elyon students to fulfill their requirements and accelerate their progress toward graduation by ensuring they take the appropriate courses from colleges such as Excelsior College or other certified online courses or proficiency exams whose credits can be transferred into Elyon College. The Associate Dean may also guide the students in their selection of courses required for the attaining of a Bachelareate Degree. The administration is committed to helping those students who wish to accelerate through the Elyon College degree program and to the students’ timely achievement of their academic and vocational goals.

Students who encounter academic difficulties and/or have a pattern of unexcused absences are required to meet with the Associate Dean for Academic and Student Affairs. They will discuss ways to improve the situation and agree on a specific academic plan of action, which the student will follow in order to attain or return to good academic standing.

### **Library and Computer Lab with Internet Connectivity**

Elyon College Library and Computer Lab offer a wide array of services, reflecting its academic setting and current curricula, to Elyon College students, faculty and staff.

Our library print collection consists of more than one thousand books. A majority of these books are in the circulation area and are available for borrowing. Reference books provide helpful information on general and specific topics. The reference and circulation collections support the Elyon College programs and courses.

The Elyon College community has access to electronic resources; both scholarly articles and full-text books. Reference service is also available for students in their research projects.

A complete copy of the Copyright policy is available in the catalog Appendix I, or at [www.elyonlibrary.org](http://www.elyonlibrary.org) and is posted in the library, the main office, and the computer lab.

## **Placement Assistance Service**

Elyon College was founded on the principle of assisting students in seeking meaningful employment upon program completion. To that end, Elyon College employs a Director of Placement and Outreach and an Assistant for Placement and Outreach dedicated to offering students, graduates, and alumni career development services. While placement cannot be guaranteed, every effort will be made to assist our graduates in finding employment.

Through a career development seminar offered at the College, students learn to develop job strategies, set career goals, write resumes, acquire interviewing skills and secure job referrals. They also learn to prepare and present themselves for business.

The ultimate responsibility for placement, however, falls upon the student themselves. Their own efforts are necessary for the College's assistance to be effective. This includes preparation of draft resumes, availability for orientations and job-referrals, and students own job-seeking efforts.

## **Community Service/Work Practicum**

The Judaic Studies AS Degree (for Education and Leadership) provides a non-paid, non-graded, noncredit-bearing community service/work practicum of 30 hours total. The students are required to divide their time between community service in an appropriate organization or association and a work practicum and observation in an educational setting.

The purpose of the community service portion of the practicum is to instill a communal responsibility in the students; the purpose of the work practicum is to promote a sense of the workplace.

The specific performance objectives for the Judaic Studies AS Degree (for Education and Leadership) work practicum portion are as follows:

- Participate in education workshops
- Observe and critique classroom lessons
- Deliver a well-organized, well-thought out lesson to his/her peers.

These objectives give students a chance to hone their communication and organizational skills and to have practical first-hand experience in a real world setting.

The Accounting and Business Technology AAS Degree students are required to complete a 30-hour community service practicum.

The purpose of the community service is to instill a communal responsibility in the students.

Students are permitted to fulfill their community service practicum throughout the duration of the time that they are enrolled at Elyon College and can do so concurrently with their program coursework.

However, the work practicum is generally completed toward the end of the academic program.

These practicums are non-paid, non-graded, and non-credit bearing.

## **Rentals of Textbooks and Calculators**

Elyon College provides students with the opportunity to rent textbooks and graphing calculators. The fee to rent a textbook is \$40; the fee to rent a graphing calculator is \$50. If a student returns the textbook and/or calculator in a good usable condition, half the rental fee is returned to the student. The determination of the good usable condition of the returned items is at the College's sole discretion.

## **Graduation Ceremony**

One graduation ceremony may be held each year for graduates from all programs. We encourage students to invite family and friends. A collation is served following the ceremony.

## **Extra Curricular Activities**

Extra curricular activities consist of holiday celebrations such as Chanuka and Purim parties, weekend retreats, and school trips. Also, in the past two years, our students participated in a very successful Europe and Israel trip.

## Academic Policies

Elyon College requests registration for two degree-granting programs and two Certificate programs. The degrees to be awarded are for the following:

- **Judaic Studies AS Degree (for Education and Leadership) 60 Credits**
- **Judaic Studies Certificate (for Education and Leadership) 36 Credits**
  
- **Accounting and Business Technology AAS Degree 60 Credits**

Students are expected to complete the Associate Degree programs in not more than two and a half years, barring unforeseen circumstances. To remain in good standing, full-time Elyon College students must have completed no less than 24 credits at the end of their first year, with a GPA of at least 1.75. By the end of the second year, students must have completed no less than 48 credits with a GPA of at least 2.00, and have completed their program at the end of the fifth semester with a GPA of 2.00. The maximum time in which to complete the program is 150 percent of the total number of hours in the program.

### Computing Grade Point Average

Elyon College uses a grading system in which the numerical equivalents of grades are:

<b>Letter Grade</b>	<b>Percentage Equivalency</b>	<b>Grade Point Equivalency</b>
A+	97.5-100	4.0
A	92.5-97.4	4.0
A-	90-92.4	3.7
B+	87.5-89.9	3.4
B	82.5-87.4	3.0
B-	80-82.4	2.9
C+	76-79.9	2.5

C	70-75.9	2.0
D	65.0-69.9	1.0
F	64.9 or below	0.0
W	Withdraw	NA
WF	Withdraw/Fail	0.0
I	Incomplete	NA

The letter grades of all work that qualifies for credit toward Elyon College are converted to this system for purposes of computing grade point averages. "F" grades are not included in the computation. Moreover, plus and minus signs are not used in computing grade point averages so that both an A+ and an A- are both recorded as A.

### Computing your GPA:

Grade Received	Numerical Equivalent of Grade	Semester Hours of Credit	Quality Points
A	4	3	12
B	3	3	9
C	2	3	6
D	1	3	3
		<b>12</b>	<b>30</b>
			<b>30/12=2.5 (GPA)</b>

### Probation And Dismissal

A student who has failed to achieve and maintain the minimum required grade point average will be placed on academic probation. Any student who had been placed on academic probation will have one semester to raise his/her average to the acceptable level. If after a semester the student does not meet the academic standard she/her will be dismissed.

### Official Withdrawal

A student is considered officially withdrawn from Elyon College

1. When the student gives written or verbal notice of withdrawal to Elyon College
2. When the student is terminated by Elyon College by applying Elyon College's attendance, conduct, or satisfactory academic progress policy

### Withdrawal From a Course

A student may withdraw from a course up until two weeks following the start of a semester. The student will receive a "W" on her/his transcript. This grade bears no grade point equivalent, and is not added into the end-of-semester average for a student. However, if the student withdraws two weeks beyond the start of the semester, she/he receives a "WF" for the course. A "WF" carries the grade point equivalent of "0" and is calculated in the final grade point average of the student. A student who withdraws at any point but does not file an Add-Drop form will receive a failing grade of "WF."

## **Incompletes for Individual Courses**

A grade of incomplete is given when a student, who has been making satisfactory progress in a course, experiences an unexpected hardship or illness making it impossible for her/him to complete the course.

If a student received an "I" in a given course at the end of the term, she/he is required to remove this condition to the satisfaction of her/his instructor by the end of the first month of the following term. Failure to do so will result in a failing grade for the course.

## **Transcripts**

Official transcripts are available from the Director of Administration and should be requested in writing.

Students will receive two free transcript, after which a processing fee of \$10 is charges.

## **Academic Appeals**

Any appeals regarding academic matters must be made to the Dean/Associate Dean for Academic and Student Affairs. The Dean/Associate Dean may then refer the appeal to a faculty committee and/or the President.

## **Student Grievance and Complaint Procedures**

Students should review the Student Handbook, School Catalog, and Enrollment Agreement to ensure that indeed a justified complaint exists. The aggrieved student should first bring the matter to the attention of his/her instructor if it involves a classroom issue, or if not resolved, student should contact the Associate Dean for Academic and Student Affairs.

If the student is not satisfied at this level or if the student for some reason feels unable to bring the matter first to the attention of the teacher and/or Associate Dean, the matter should then be brought to the attention of the President. The President may be contacted in person or in writing.

It is hoped that anyone with a complaint about the school, faculty or staff would seek to resolve this complaint with the administration. If complaint cannot be resolved with administration, student may appeal to Elyon College Board of Trustees, 1400 West 6th Street, Brooklyn, NY 11204

However, if complaint still goes unresolved, it may be filed with the New York State Education Department, Office of Higher Education, Room 977, Education Building Annex, Albany, New York 12234.

In addition, complaints can be registered with ACCET, Complaint Review Committee, 1722 N Street, NW Washington, DC 20036; Telephone: (202) 955-1113; Fax: (202) 955-1118 or (202) 955-5306; Email: [complaints@accet.org](mailto:complaints@accet.org); Website: [www.accet.org](http://www.accet.org). ## **Disclosure Of Student Records**

Elyon College's policy on the rights of students to access and review records are as follows:

### **NOTIFICATION RIGHTS UNDER FERPA WITH RESPECT TO STUDENT RECORDS**

The Family Educational Rights and Privacy Act (FERPA) afford students 18 years of age or older certain rights with respect to their educational records.

1. Students enrolled at Elyon College shall have the right to inspect and review the contents of their education records, within a reasonable amount of time but not more than 45 days after the institution receives the request for access. Students may request to review their education records by submitting a written request identifying the record(s) the student wishes to review to the Registrar. The institution will arrange for access and notify the student of the time and place where the records may be inspected.
2. Parental access to a student's record will be allowed by Elyon College without prior consent if: (1) the student has violated a law or the institution's rules or policies governing alcohol or substance abuse, if the student is under 21 years old; or (2) the information is needed to protect the health or safety of the student or other individuals in an emergency.
3. A student's education records are defined as files, materials, or documents, including those in electronic format, that contain information directly related to the student and are maintained by the institution, except as provided by law. Access to a student's education records is afforded to school officials who have a legitimate educational interest in the records. A school official is defined as a person employed or engaged by the institution in an administrative, supervisory, academic or support staff position (including law enforcement unit and health staff); a person or company (including its employees) with whom the school has contracted (such as an attorney, auditor, consultant or collection agent); a trustee serving on a governing board; or a person assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility or commitment to the school.
4. Students may request that the institution amend any of their education records, if they believe the record contains information that is inaccurate, misleading or in violation of their privacy rights. The request for change must be made in writing and delivered to the Director of Administration, and must identify the part of the record the student wants changed and the reason for the requested change stated fully.
5. Directory information is student information that the institution may release to third parties without the consent of the student. Elyon College has defined directory information as the student's name, address(es), telephone number(s), e-mail address, birth date and place, program undertaken, dates of attendance, honors and awards, photographs and credential awarded. If a student does not want his or her directory information to be released to third parties without the student's consent, the student must present such a request in writing to the Director of Administration within 45 days of the student's enrollment or by such later date as the institution may specify. Under no circumstance may the student use the right to opt out to prevent the institution from disclosing that student's name, electronic identifier, or institutional e-mail address in a class in which the student is enrolled.
6. The written consent of the student is required before personally identifiable information from education records of that student may be released to a third party, unless the disclosure is otherwise allowed under an express FERPA exception to disclosure or is required by law.

7. A student who believes that Elyon College has violated his or her rights concerning the release of or access to his or her records has the right to file a complaint with the U.S. Department of Education. The name and address of the office that administers FERPA is:

Students with disabilities not readily discernable and who are requesting reasonable accommodation must submit a statement describing any limitations from a physician who is a specialist in the area of disability. Students with learning disabilities who are requesting reasonable accommodations must submit either a diagnostic report from a physician or clinical psychologist who is a specialist in learning disabilities.

Students are encouraged to request reasonable accommodations at the time they enroll in Elyon College.

## **Campus Security Policy**

Due to its limited size, Elyon College does not employ campus security personnel. Faculty and staff are to take whatever measures legally permissible to protect themselves and students in the event of a safety or security emergency.

Many parents are concerned about the safety of their sons and daughters when they are attending College. Elyon College understands the concerns of all persons attending our College. We accept the responsibility to employ and continually update security measures to ensure that our students enjoy their time at Elyon College and are as free as possible from any threats to their safety and well being.

We are fortunate to be able to report that we have never had an incident of a serious crime on the proposed Elyon College premises. We attribute this to our competent staff, our dedicated safety force and to our students themselves.

The cooperation and involvement of students, staff and faculty is essential for any college to be safe. All persons must assume responsibility for their personal belongings by taking simple, common sense precautions. The college is not assuming responsibility for any student's personal belongings.

Elyon College vigorously enforces college rules and ordinances regulating underage drinking, the use of controlled substances and weapons. (See sections regarding alcohol and substance abuse.)

Firearms and dangerous weapons of any kind are not permitted anywhere in the College. Use, possession, or sale of firearms or other dangerous weapons is strictly forbidden. Usage, sale or possession of such instruments are violations which will be treated in the same manner and handling of those found in possession of, or selling a controlled substance.

There is/are an electronic/cameras monitoring system in the building. This enhances the security of our staff and students. As of now, we are fortunate to be able to report that we have never had an incident of a serious crime on the Elyon College premises.

Elyon College is always maintained with safety as our primary concern. It is impossible for anyone to wander along the halls of the College without being observed. This enhances the security of our staff and students.

As required by the U.S. Department of Education, Elyon publishes all known occurrences of crimes committed on campus. These statistics are available in the Director's office and are also part of the orientation materials.

## **Criminal Reporting Policy**

It is the policy of Elyon College to allow students to decide by themselves whether or not to disclose a crime or violation to the authorities. Elyon College will advise potential reporting individuals about the pros and cons of their options, but at the same time will ensure that reporting individuals have control in their own decision-making. If any incident reported to the College Administration constitutes a crime under local, State or Federal statute, the President of Elyon College may report it to the police at his discretion.

## **Health Care**

There are various hospitals, health care and counseling facilities located within a reasonable distance of the College. A listing of these facilities is available in the Admissions Office.

## **College Delays And Cancellation**

Announcements regarding late starts or cancellations will be posted on the WOR Radio Website, [www.wor710.com](http://www.wor710.com), or students may call the WOR College Closing Hotline at (877) 871-9208 and follow the prompts. In general, if the New York City public colleges located in Brooklyn will be closed, Elyon College will also be closed.

## **No Smoking Policy**

There is no smoking at any college facility. This includes all classrooms, libraries, laboratories, hallways, restrooms, conference and meeting rooms, entryways, and areas used in common by students and employees.

## **Drug Abuse Prevention Policy**

The abuse of drugs and alcohol has a detrimental effect on health, impairs decision-making ability and may result in unintended behavior and consequences. Hence, the unlawful possession, use or distribution of illegal drugs and/or alcohol by students or Elyon College employees on College property or as part of any college related activities is strictly prohibited.

Disciplinary sanctions consistent with local, state and federal law will be imposed on students and staff who violate this policy. Students found guilty of violating the Drug Abuse Prevention Policy are subject to legal penalties and the following action:

## **Policy On Substance Abuse And Alcohol**

The United States Department of Education has issued regulations implementing the provisions of the Drug-Free Colleges and Communities Act Amendments of 1989. These regulations require that Elyon College distribute to you annually, in writing, the following information concerning the possession, use, or distribution of alcohol and illicit drugs in the College.

## **Standards Of Conduct**

### **Statement Of Policy On Substance Abuse**

While we at Elyon College feel that an individual's actions are his or her personal responsibility, the possession, use, or distribution of illegal drugs anywhere on campus cannot and will not be condoned. It is a known fact that involvement with drugs may harm an individual personally and professionally.

Since an individual who possesses or uses drugs is violating the law, Elyon cannot protect anyone who may break these laws from apprehension and prosecution by civil authorities.

Elyon College must recognize the interest and rights of the students as well as those in the academic community as a whole. We realize that drug abuse may be a symptom of deeper personal or emotional problems and accept the responsibility for assisting the individual to seek the help that is needed.

Since Elyon College is also very much a part of the community, we recognize our obligation to show our concern by maintaining the safety and well being to that community. It is necessary, therefore, to adhere to the following guidelines regarding the unlawful possession, use and distribution of drugs:

- Elyon College will not tolerate the unlawful use, possession or distribution of drugs anywhere on College property or at any college related activity.
- Upon finding the evidence of the above by any student, Elyon will take appropriate disciplinary action including, but not limited to, probation, suspension or expulsion.

In addition to the sanctions of Elyon College, students may also be subject to criminal prosecution under federal and state laws that specify fines or imprisonment for conviction of drug-related offenses. If necessary and appropriate the College will fully cooperate with law enforcement agencies.

## **Statement Of Policy On Alcoholic Beverages**

### **Elyon College Regulations**

The possession or use of alcoholic beverages anywhere in the College is discouraged and restricted. Any serving of alcoholic beverages is governed by the New York State Alcoholic Beverage Control Law and other laws of the State of New York. The following are the policies of Elyon College:

- Alcohol is banned at all student-sponsored functions
- At all staff functions and/or academic department events which students may attend, the organization sponsoring the activity must see that there is strict adherence to the New York State Alcohol Beverage Control Laws.

## **Alcohol health risks**

Alcohol is chemically known as ethyl alcohol, a colorless liquid, and medically is a depressant that slows the activity of the brain and spinal cord. It has the potential to be abused because it affects the mind. Alcohol is usually ingested orally. One drink is the equivalent of 12 oz. of beer, 5 oz. of wine or 1 ½ oz. of hard liquor. The legal age for sale and consumption of alcohol is 21 in New York State. People that abuse alcohol may harm themselves or others. Alcohol abuse often results in automobile crashes, arrests, accidents and broken families. Very high doses cause respiratory depression and death. Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants may have irreversible physical abnormalities and mental retardation. Research indicates that children of alcoholic parents are of greater risk of becoming alcoholics. One in eleven drinkers become alcoholics when they lose control over their drinking. This may result in the loss of employment, family and health problems. Continued heavy drinking can cause malnutrition, severe anxiety, hallucination, convulsions, heart disease, brain damage, ulcers and liver damage.

## **College sanctions**

If it is deemed that you have violated the College's Statement of Policy on Substance Abuse, a member of the faculty, administration, staff or any other student may file a complaint against you. You may be suspended or placed on probation and/or be subject to possible prosecution by federal and state drug enforcement agencies.

## **Sanctions**

### **Institutional**

Elyon is committed to both the safety and health of all employees and students. In order to maintain a drug-free environment, the College maintains the following sanctions for all members of the community: warning, suspension, referral to a substance abuse program and termination or expulsion. The College reserves the right to immediately terminate or expel any employee or student who presents a risk to others.

## Risks of Drug Use

### HEALTH RISKS

#### Hallucinogens

Types: Phencyclidine, Lysergic Acid Diethylamide, Mescaline, Peyote, and Psilocybin

Phencyclidine (PCP) interrupts the functions of the neocortex, the section of the brain that controls the intellect and keeps instincts in check. Because the drug blocks pain receptors, violent PCP episodes may result in self-inflicted injuries.

The effects of PCP vary, but users frequently report a sense of distance and estrangement.

Time and body movement are slowed down. Muscular coordination worsens and senses are dulled. Speech is blocked and incoherent.

Chronic users of PCP report persistent memory problems and speech difficulties. Some of these effects may last six (6) months to a year following prolonged daily use. Mood disorders—depression, anxiety, and violent behavior—also occur. In later stages of chronic use, users often exhibit paranoid and violent behavior and experience hallucinations. The physical effects may include dilated pupils, elevated body temperature, increased heart rate and blood pressure, loss of appetite, sleeplessness and tremors.

#### Stimulants

Types: Amphetamines, Methamphetamines, Ritalin, Cylert, Preludin, Didrex, Pre-State Voranil, Tenuate, Tepanil, Pondimin, Sandrex, Plegine, Ionamin, Nicotine, Cocaine, and Crack.

Stimulants can cause increased heart and respiratory rates, elevated blood pressure, dilated pupils, and decreased appetite. In addition, users may experience sweating, headache, blurred vision, dizziness, sleeplessness, and anxiety. Extremely high doses can cause a rapid or irregular heartbeat, tremors, loss of coordination, and even physical collapse. An amphetamine injection creates a sudden increase in blood pressure that can result in stroke, very high fever, or heart failure. In addition to the physical effects, users report feeling restless, anxious, and moody. Higher doses intensify the effects. Persons who use large amounts of amphetamines over a long period of time can develop an amphetamine psychosis that includes hallucinations, delusions and paranoia. These symptoms usually disappear when drug use ceases. The use of nicotine in cigarette form can increase the amount of carbon monoxide in the bloodstream. Continued use of nicotine can lead to death through increased incidence of heart disease; emphysema; and cancers of the lung, throat, mouth and esophagus. Crack or freebase rock is extremely addictive, and its effects are felt within ten (10) seconds. The physical effects include dilated pupils, increased pulse rate, elevated blood pressure, insomnia, loss of appetite, tactile hallucinations, paranoia, and seizures. The use of cocaine can cause death by cardiac arrest or respiratory failure.

## **Narcotics**

Types: Heroin, Methadone, Codeine, Morphine, Meperidine, Opium, Percocet, Percodan, Tussionex, Fentanyl, Darvon, Talwin, and Lomotil. Narcotics initially produce a feeling of euphoria that often is followed by drowsiness, Nausea, and vomiting. Users also may experience constricted pupils, watery eyes, and itching. An overdose may produce slow and shallow breathing, clammy skin, convulsions, coma, and possible death. Tolerance to narcotics develops rapidly and dependence is likely. The use of contaminated syringes may result in diseases such as AIDS, endocarditic, and hepatitis. Addiction in pregnant women can lead to premature, stillborn, or addicted infants who experience withdrawal symptoms.

## **Depressants**

Types: Barbiturates, Methaqualone, Valium, Equanil, Miltown, Serax, and Tranxene. The effects of depressants are in many ways similar to the effects of alcohol. Small amounts can produce calmness and relax muscles, but somewhat larger doses can cause slurred speech, staggering gait, and altered perception. Very large doses can cause respiratory depression, coma, and death. The combination of depressants and alcohol can multiply the effects of the drugs, thereby multiplying the risks. The use of depressants can cause both physical and psychological dependence. Regular use over time may result in a tolerance to the drug, leading the user to increase the quantity consumed. When regular users suddenly stop taking large doses, they may develop withdrawal symptoms ranging from restlessness, insomnia, and anxiety to convulsions and death. Babies born to mothers who abuse depressants during pregnancy may be physically dependent on the drugs and show withdrawal symptoms shortly after they are born. Birth defects and behavioral problems may also result.

## **Inhalants**

Types: Nitrous Oxide, Amyl, Nitrite, Butyl Nitrite, Chlorohydrocarbons (aerosol sprays), Hydrocarbons (solvents). The immediate negative effects of inhalants include nausea, sneezing, coughing, nosebleeds, fatigue, lack of coordination, and loss of appetite. Solvents and aerosol sprays also decrease the heart and respiratory rates and impair judgment. Amyl and butyl nitrites cause rapid pulse, headache, and involuntary passing of urine and feces. Long term use may result in hepatitis or brain damage. Deeply inhaling the vapors, or using large amounts over a short time, may result in disorientation, violent behavior, unconsciousness, or death. High concentrations of inhalants can cause suffocation by displacing the oxygen in the lungs or by depressing the central nervous system to the point that breathing stops. Long-Term use can cause weight loss, fatigue, electrolyte imbalance, and muscle fatigue. Repeated sniffing of concentrated vapors over time can permanently damage the nervous system.

## **Cannabis**

Types: Marijuana, Tetrahydro-cannabinol, Hashish, and Hashish Oil. All forms of cannabis have negative physical and mental effects. Several regularly observed physical effects of cannabis are a substantial increase in the heart rate, bloodshot eyes, a dry mouth and throat, and increased appetite. Use of cannabis may impair or reduce short-term memory and comprehension, alter sense of time, and reduce ability to perform tasks requiring concentration and coordination, such as driving a car. Research also shows that students do not retain knowledge when they are “high.” Motivation and cognition may be altered, making the acquisition of new information difficult. Marijuana can also produce paranoia and psychosis. Because users often inhale the unfiltered smoke deeply and then hold it in their lungs as long as possible, marijuana is damaging to the lungs and pulmonary system. Marijuana smoke contains more cancer-causing agents than tobacco smoke. Long-term users of cannabis may develop psychological dependence and require more of the drug to get the same effect. The drug can become the center of their lives.

## **Alcohol**

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairment in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. The combination of depressants and alcohol will produce the described effects, but with much lower doses. Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage of vital organs such as the brain and the liver.

## **Elyon College Domestic and Dating Violence Prevention Policy**

### **Statement of Purpose**

Elyon College is committed to creating and maintaining an educational environment free from all forms of sex discrimination, including the offenses of domestic and dating violence.

## Definition of Domestic Violence

An act which would constitute a violation of the penal law, including, but not limited to acts constituting disorderly conduct, harassment, aggravated harassment, sexual misconduct, forcible touching, sexual abuse, stalking, criminal mischief, menacing, reckless endangerment, kidnapping, assault, attempted murder, criminal obstruction or breaching of blood circulation, or strangulation; and such acts have created a substantial risk of physical or emotional harm to a person or a person's child.

Physical abuse is just one of the many ways that a domestic partner or a former partner might try to gain power and control in a relationship. You may be a domestic violence victim if your current or former intimate partner does a variety of things to control you, restrict your personal freedom or make you afraid, including getting access to finances, daily routines, children, online activity and passwords.

Ways a domestic partner may try to gain power and control include:

**Isolation** – preventing or making it hard to see family and friends.

**Economic abuse** – having complete control over the money; not letting a partner have a job or go to school.

**Verbal, emotional, psychological abuse** – calling names; putting down or embarrassing a partner in front of other people.

**Intimidation** – making a partner afraid with a look, action, a reminder of former actions, or gesture.

**Coercion and threats** – showing a weapon and threatening to use it on a partner; threatening to “out” his/her sexual orientation to family, friends, or employers; threatening to harm a family, friends; threatening to commit suicide to put the guilt on a partner;

**Physical abuse** – pushing, grabbing, hitting, slapping, punching, kicking, strangling, stabbing, burning, or shooting a partner.

**Sexual abuse** – forcing a partner to have sex or engage in uncomfortable sexual acts or in prostitution.

**Using children** – undermining a partner's authority with children; threatening to take the children away; “pumping” children for information about a partner; trying to turn children against a partner; threatening to harm the children if a partner tries to leave or seek help.

**Minimizing, denying, blaming** – making a partner think the abuse is his/her fault; saying the abuse was caused by stress, alcohol, or problems at work; denying that the abuse happened at all.

## **Elyon College Stalking Prevention Policy**

### **Statement of Purpose**

Elyon College is determined to provide a campus environment free of violence for all members of the campus community, and does not tolerate stalking. It is committed to supporting victims of stalking through the provision of safety and support services. Stalking incidents are occurring at an alarming rate on the nation's college campuses. It is a crime that happens to persons of all races/ethnicities, religions, etc., and can affect every aspect of a victim's life. Stalking often begins with phone calls, emails, social networking posts and/or letters, and can sometimes escalate to violence.

The National Intimate Partner and Sexual Violence Survey results, published in 2011 by the Centers for Disease Control and Prevention, reported that an estimated 6.6 million people were stalked in a one year period in the United States. Persons ages 18 to 24 experienced the highest rates of stalking victimization. The National College Women Sexual Victimization Study found that over 13 percent of college women had been stalked in the academic year prior to the study. Three in ten college women

reported being injured emotionally or psychologically from being stalked. Stalking often occurs in the context of both dating violence and sexual assault. In one study, researchers found that 43 percent of victims were stalked by a current/former boyfriend.

## **Definition of Stalking**

The term stalking means intentionally engaging in a course of conduct, directed at a specific person, which is likely to cause a reasonable person to fear for his or her safety or the safety of others or cause that person to suffer substantial emotional damage. Examples include, but are not limited to, repeatedly following such person(s), repeatedly committing acts that alarm, cause fear, or seriously annoy such other person(s) and that serve no legitimate purpose, and repeatedly communicating by any means, including electronic means, with such person(s) in a manner likely to intimidate, annoy, or alarm him or her.

Stalking is a crime in New York State and is subject to criminal prosecution. Students perpetrating such acts of violence will be subject to disciplinary action through the office of the Associate Dean for Academic and Student Affairs. Stalking behaviors and activities may include, but are not limited to, the following:

- Non-consensual communication, including face-to-face communication, telephone calls, voice messages, e-mails, written letters, gifts, or any other communications that are undesired and place another person in fear.
- Use of online, electronic, or digital technologies, including: - Posting of pictures or information in chat rooms or on Web sites - Sending unwanted/unsolicited email or talk requests - Posting private or public messages on Internet sites, social networking sites, and/or school bulletin boards - Installing spyware on a victim's computer or cell phone - Using Global Positioning Systems (GPS) to monitor a victim
- Pursuing, following, waiting, or showing up uninvited at or near a residence, workplace, classroom, or other places frequented by the victim
- Surveillance or other types of observation, including staring or "peeping"
- Trespassing
- Vandalism
- Non-consensual touching

- Gathering information about an individual from friends, family, and/or co-workers
- Threats to harm self or others
- Defamation – lying to others about the victim

## **Reporting Stalking**

Elyon College encourages reporting of all incidents of stalking to law enforcement authorities, but acknowledges and respects the right of the victim to decide whether or not to report the incident to the authorities. The Associate Dean for Academic and Student Affairs and the Assistant Dean of Administrative Operations can inform victims of the reporting procedures and offer appropriate referrals. Victims of stalking choosing to pursue the reporting process have the right to assistance or consultation

of the New York State Office of Victim Services (<https://ovs.ny.gov>). Brooklyn office of OVS is located at: 55 Hanson Place, 10<sup>th</sup> Floor, Brooklyn, New York, 11217. Telephone: 1-800-247-8035; 718-923-4325.

In some circumstances, a victim may wish to seek an order of protection from a court of appropriate jurisdiction against the alleged perpetrator. Victims may be assured that an access to Elyon College is restricted to non-students or non-employees .

Every occurrence of stalking may, at the student's discretion, be reported to:

1. Elyon College President
2. Associate Dean for Academic and Student Affairs
3. Director of Administration
4. Assistant Dean of Administrative Operations.

In certain instances, Elyon College may need to report an incident to law enforcement authorities. Such circumstances include any incidents that warrant the undertaking of additional safety and security measures for the protection of the victim and the campus community.

## **Responding to Stalking on Campus**

In all circumstances, crisis intervention and victim safety concerns will take precedence at Elyon College.

### **Safety for Victims of Stalking**

Elyon College is committed to supporting victims of stalking by providing the necessary safety and support services. Student victims of stalking are entitled to reasonable accommodations. Sexual Harassment is a violation of a federal (Section 703 of the Civil Rights Act) Law. It is the policy of Elyon College to prohibit the harassment of any member of the College community by another on the basis of sex. Anyone who feels that he or she has been subjected to sexual harassment should immediately report the incident to President's Office without fear of reprisal.

All members of the College community are responsible for helping to make the College a safe, non-threatening environment. All complaints of sexual harassment or sexual assault will be promptly handled with the identity of the complainant and the accused kept confidential. The College will maintain confidential documentation of all allegations and investigations, and will take appropriate action to remedy any violation of policy.

## **SEXUAL ASSAULT AND RAPE INFORMATION**

Sexual assault involves intercourse, unwelcome physical contact, or any other sexual activity with a person who does not give free and full consent. Anyone can be raped, regardless of age, sex, appearance or way of dressing. No matter what the circumstances, if you have raped, a vicious crime has been committed against you. You are not to blame!!

## **WHAT TO DO IF YOU HAVE BEEN SEXUALLY ASSAULTED OR RAPED**

Immediately report the assault to the College administration and/or the police. Do not change your clothes, wash, and shower or urinate. Doing so may eliminate important evidence, which could lead to the arrest of your attacker. Make sure to seek counseling. Rape is a traumatic experience and a trained person can help you deal with your feelings.
